British Birds Ltd

Index to volume 76

Compiled by Mrs N. D. Blamire

Entries are in single list with reference to:

(1) every significant mention of each species, not only in titles, but also within the text of papers, notes and letters, including all those appearing in such lists as the 'Report on rare birds in Great Britain in 1980', but excluding those in 'Recent reports', 'News and comment', requests and reviews;

(2) scientific nomenclature under generic names only and following *The 'British Birds' List of Birds of the Western Palearctic* (1978);

(3) authors of all papers, notes, reviews and letters, and photographers; papers are referred to by their titles, other contributions as 'note on', 'review of', etc.;

(4) a few subject headings, i.e. 'Announcements', 'Breeding', 'Display', 'Editorials', 'Field characters', 'Food', 'Migration', 'News and comment', 'Obituaries', 'Rarities Committee', 'Recorders', 'Recent reports', 'Requests', 'Roosting' and 'Voice';
